

The Rice-VIGRE Summer 2012 Undergraduate Internship Program

Pursue a research topic in the mathematical sciences as part of a vertically integrated team.

Via funding from the National Science Foundation we may support 20 interns at **\$5,000 for an 8 week term**. Applicants must be US citizens or permanent residents.

For a list of possible mentors, use the "contacts" listed at <http://math.rice.edu/VIGRE/PFUGs/activepfugs.html>

To apply please have your MENTOR submit, via email, a one page note containing

- Applicant's Name and email address
- Mentor's Name and email address
- 1 paragraph project description
- Start Date (after May 21 and before June 11)

The application should be addressed to cox@rice.edu, and the subject should be: VIGRE summer 2012

Applications are **due Monday April 9 at 9am**.
Admissions are rolling so apply asap.
