

MIDTERM 2 SYLLABUS

Midterm Exam 2: Wed, November 5th, in class

No notes, books or calculators are allowed during the exam. However, you will be allowed to write on both sides of an index card (3"x5") and bring the card with you during the exam. The card has to be handwritten by yourself.

Material covered:

Sections 3.1 to 3.8 in the textbook, **except** the last two subsections in 3.8 (Derivatives of Logarithmic Functions, Logarithmic Differentiation). Even if not tested explicitly, the material covered by Chapters 1 and 2 is assumed to be known.
