Q & A for Math Majors and Minors with the Math Department Chair

Monday November 18
Discussion at 4:00 in Herman Brown 227
Tea and cookies at 3:30 in Herman Brown 438
Pizza after the Q&A

Dr. Reid will begin by talking about some of his mathematical interests, his background, being chair of the department, and how this impacts the lives of undergraduate students. There will be a Q&A session to end the discussion.
