

Log of (requests for) C. Walton's Diversity, Inclusion, Equity, and Outreach efforts Aug 16 - Oct 5, 2018  
 Each request was acknowledged, yet not all were granted. Prefer to work directly with junior mathematicians and students, not necessarily (indirectly) through formal programs or events.

Date	Activity	Location
8/16/18	Women in Noncom. Algebra and Rep Theory (WINART) workshop 2 organizing	International
8/16/18	Response to author of book on African-American female mathematicians	US
8/16/18	Response to organizer of research workshop for African-Americans	US
8/17/18	WINART2 organizing	International
8/17/18	Advice to female grad student about career path	US
8/18/18	WINART2 organizing	International
8/18/18	Lunch with URM grad student	US
8/19/18	Phone call with African-American female high school student	US
8/20/18	WINART1 workshop miscellaneous items	International
8/22/18	WINART2 organizing	International
8/22/18	Response to author of book on African-American female mathematicians	US
8/22/18	Email correspondence with URM grad student	US
8/23/18	Setting up activities with URM grad students	US
8/23/18	Email correspondence with high school/ ugrad(?) student about math/ career path	International
8/23/18	Correspondences with URM grad students	US
8/25/18	URM grad students activity arrangements	US
8/26/18	URM grad students activity arrangements	US
8/27/18	Correspondences with URM grad students	US
8/30/18	Request from a university administrator to provide information for a race and gender discrimination case	US
8/30/18	Set lunch with URM grad student	US
8/31/18	Response to invitation to speak at civil rights movement event	US
9/1/18	WINART2 organizing	International
9/2/18	WINART2 organizing	International
9/3/18	WINART2 organizing	International
9/4/18	WINART2 organizing	International
9/4/18	Reviewed interview for social media for black female mathematicians	International
9/4/18	Lunch with URM grad student	US
9/7/18	Several email correspondences with women in math organization	US
9/7/18	WINART site updates	International
9/9/18	CfW MSRI organizing	International
9/9/18	WINART1 email	International
9/11/18	CfW MSRI organizing	International
9/11/18	Lunch and Coffee with URM grad students	US
9/12/18	Phone call with math institute- outreach, promotional request	US
9/13/18	Mentoring session with URM grad student	US
9/16/18	Grant work for WINART2 workshop	International
9/17/18	WINART2 organizing	International
9/18/18	Grant work for WINART2 workshop	International
9/18/18	Lunch with URM grad student	US
9/18/18	Mentoring session with URM grad student	US
9/19/18	Grant work for WINART2 workshop	International
9/20/18	WINART emails	International
9/21/18	WINART emails	International
9/21/18	CfW MSRI email	International
9/21/18	Advocacy work for URM grad student	US
9/22/18	Mentoring session with URM grad student	US
9/24/18	Response to email about black female mathematicians	US
9/24/18	Invitation to speak at math conference for female ugrads, accepted	US
9/25/18	WINART list request	US
9/25/18	Email correspondence with female grad student	US
9/26/18	Email correspondence with female grad student	US
9/27/18	WINART grant business	US
9/29/18	Request from math teacher to be on a podcast	US
10/1/18	Mentoring session with URM grad student	US
10/3/18	Follow up emails on podcast from 9/29/18	US
10/3/18	WINART emails	International
10/4/18	CfW email, Mentoring and Advocacy work for URM students, many other items	Various
10/5/2018 (morning)	Advice to female grad student about career path	US
10/5/2018 (morning)	Response to invitation to speak at civil rights movement event	US
